## Volunteer! Save Lives! Help Animals!

Cat Rescue & Adoption Network is looking for volunteers. We are an all-volunteer, non-profit organization that rescues, cares for, and finds homes for hundreds of cats and kittens every year. We need help with:

- Cat care/socializer at Petsmart (Chad Drive and Willamette Street locations)
- Administrative tasks – recordkeeping, updating cat information
- Foster homes for kittens and adult cats
- Bottle fosters – care for the tiniest, most vulnerable kittens, until they can eat food on their own
- Adoption Counselors: Help connect kitties to their forever home.
- Event help at fundraisers and community events
- Medical Team, Intake, Phone, Social Media, Surrender Team and many more opportunities.

If you have the time and heart to help, volunteering is easy! To get started, fill out a short application on our website at:
